RULES FOR 2026-27 MEN'S SIM LEAGUE

1. First week score will be used to establish player handicaps. Handicaps are updated each week and will be posted on the Greg Jones Golf Academy website along with the week's point results.
2. All players will play from Blue Tees, except seniors (65+), who can play from the Red or White tees (whichever if they prefer), and double-digit handicappers, who will play from the White tees.
3. 8 ft gimmes will be used.
4. Scoring: 2 points are available per match. Points are awarded based on lowest net score. High handicap players from each team will compete for 1 point, and low handicaps for the other point. In the event of a tie, a half point will be awarded to each team.
5. if you and your partner have the same handicap, please determine who will be playing as the high and low handicaps prior to the start of the round. Also, please indicate this when you send the scorecard to Greg at the end of the round.
6. For handicapping purposes, a max score of Par+3 will be used for each hole. Any score submitted that's above this score will be adjusted down to Par+3. **This only affects the handicap calculation.** Actual gross scores will be used to determine net score for the purpose of assigning points for the matches.
7. If you miss a round, you may either find a sub or make up the round. **For make-ups, the scorecard must be submitted by the Sunday evening following league play.** If only one player from a team submits a scorecard for the round, that score will stand against both the low and high handicap players' scores from the opposing team. In the event that both players from a team miss a round, both points will be awarded to the opposing team. *Please note that if you choose to get a sub and that sub has not yet established a handicap, their round will only count to establish a handicap and will not be used for the match (see #8).*
8. Subs must establish a handicap before their scores can be used in a match. A sub can play a round on their own prior to the first time they sub to establish their handicap. (Please send a picture of the scorecard to Greg.) Otherwise, if their first round played is during league play, that score will be used to establish their handicap and will not be counted toward the team score.
9. Please take a picture your scorecard at the end of the round and text it to Greg at 567-241-3746
10. Skins Game:
    - Players can buy into the optional skins game at the beginning of the season for $40 ($2 per week, excluding the first and last week.) The skins fee is payable to Mitch. Subs are not eligible for skins game.
    - Skins will be handicapped. Player handicaps will be capped at a maximum of 7 strokes for the skins game. No strokes will be given on Par 3s.
